

REMARKS

This responds to the **August 30, 2010** Notice To File Corrected Application Papers (Copy attached hereto as an Appendix).

In the Office Action, the Specification is objected to. Specifically, it is noted that on Page 11-13 of the specification there is a brief description of FIGS. 49-56, but the drawings filed 08/15/2002 do not include drawings with that designation. Also, the drawings filed 08/15/2002 include FIGS. 38-45, but the specification's brief description of the drawings does not describe a drawing with that designation. In response thereto, Applicants amend the specification to conform the FIG. numbers (in the Brief Description of the Drawings and in the Detailed Description) to the Drawings to which the text is referring. No new matter is added.

The Director is hereby authorized to charge any fees under 37 CFR 1.16 and 1.17 which may be required by this paper to Deposit Account No. 50-0655. Please charge any omissions or deficiencies that may be due or credit any overpayments to Deposit Account No. 50-0655.

Respectfully submitted,

Dated: October 31, 2010
